

For a different day out,

Why not hire one of our easy to drive our narrowboats for a day or half day self-drive cruise along the **Grand Union Canal**, near Catherine de Barnes.

There is a delightful stretch of lock free waterway which winds its way through leafy cuttings and farmer's fields away from the noise and bustle of road and motorway.

Or you can descend the impressive flight of five locks at Knowle and cruise through the countryside to Lapworth or beyond.

The choice is yours!

We have two 32 foot narrowboats which carry up to a maximum of **ten** passengers each. There is inside cabin and outside accommodation for all. Bring your own picnic or lunch at the pub - the choice is yours!
